

Arnaldo ESPAILLAT MATOS, M.D.

Specialized Higher Education

- GLORY certification (Global Refractive Surgery Education Program), basic and advanced. International Society of Refractive Surgery (ISRS). Miami, FL, United States. July 1999.
- Fellowship in Retina and Vitreous. Barraquer University Institute. Barcelona, Spain.
- Postgraduate Master's Degree in Anterior Segment Pathology. Barraquer University Institute; accredited by the Autonomous University of Barcelona. Barcelona, Spain. October 1995–October 1996.
- Postgraduate Diploma in Vitreoretinobuloidal Pathology. Barraquer University Institute; accredited by the Autonomous University of Barcelona. Barcelona, Spain. October 1994–October 1995.
- Residency in Ophthalmology. Barraquer Institute. Barcelona, Spain. January 1992–December 1995.
- Advanced Course in Ophthalmology. Barraquer Institute. Barcelona, Spain. February 1990–December 1991.
- Basic Course in Ophthalmology. Barraquer Institute. Barcelona, Spain. October 1988–January 1990.

Medical Education

- Pedro Henríquez Ureña National University (UNPHU). Doctor of Medicine, cum laude. Santo Domingo, Dominican Republic. September 1981–February 1988.
- Thesis for the Doctor of Medicine degree at UNPHU. Grade: summa cum laude. Espailat A, Delgado E, Rodríguez S. "Congenital Glaucoma: Current Medical and Surgical Treatment. A study of cases surgically treated during the first 20 years of the Espailat Cabral Institute."

Leadership Positions

- Medical Director, Instituto Espailat Cabral, Santo Domingo, Dominican Republic, a private medical institution founded in 1970 with a focus on specialized ophthalmology.
- Founding member and elected President of the Dominican Association of Cataract and Refractive Surgeons (ADOCAREF), 2023–2025.
- Elected President of the Executive Board of the Latin American Association of Cataract, Anterior Segment and Refractive Surgeons (ALACCSA-R), 2019–2021 and 2021–2023.
- Elected Vice President of the Executive Board of ALACCSA-R, 2017–2019.
- Founding member and President of the Dominican Association of Ophthalmology Centers (ADOCOFT), from its founding in May 2014 through February 2018.
- President of the Dominican Society of Ophthalmology, 2002–2003.

Academic Positions

- Elected member of the Pedro Henríquez Ureña Dominican University Foundation. March 2025.
- Elected member of the Advisory Council of Universidad Iberoamericana (UNIBE) for 2025–2028. November 2024.

- Professor of Ophthalmology, Pedro Henríquez Ureña National University (UNPHU), Santo Domingo, Dominican Republic, since October 2018.
- Director of the Fellowship in Cataract and Refractive Surgery at Instituto Espailat Cabral, endorsed by Universidad Iberoamericana (UNIBE), since March 2009.
- Associate Professor of Ophthalmology and Head of Retina and Phacoemulsification, Department of Ophthalmology, National Institute of Diabetes, Nutrition and Endocrinology (INDEN), July 2001–June 2008.
- Staff retina specialist and instructor in retina, Elías Santana Hospital, Los Alcarrizos, Dominican Republic, April 1997–May 1999.

Notable Achievements

- Elected member of the Board of Trustees of the Plaza de la Salud General Hospital. June 2017.
- Accredited as a Distinguished Graduate by the Pedro Henríquez Ureña National University (UNPHU). May 2016.
- Chosen to be part of the XXI Edition of the publication “Grandes Dominicanos”. 2017.
- Achievement Recipient Award. Given by the American Academy of Ophthalmology (AAO) in recognition of members who participate in scientific programs during the annual meetings. 2017.
- International Scholar Recipient Award. Given by the American Academy of Ophthalmology (AAO) in recognition of international members who dedicate efforts to stay current in continuing education in ophthalmology. 2011.
- Recipient of the International Ophthalmologist Education Award. Awarded by the American Academy of Ophthalmology (AAO) in recognition of international members who dedicate efforts to remain current in continuing education in ophthalmology. 2008.
- Winner of the Best Video Award (Phaco Pearls Diversity) in the Phaco Pearls section of the ASCRS TOPGUN 2019 competition. American Society of Cataract and Refractive Surgery Congress. San Diego, California, United States. May 2019.
- Member of the International Council of Refractive Surgery (entity dependent on the International Society of Refractive Surgery of the American Academy of Ophthalmology) as representative of the Dominican Republic.
- Secretary of the Executive Board of the Latin American Association of Cataract, Anterior Segment and Refractive Surgeons (ALACCSA-R) 2016-2017.
- Representative of the Dominican Republic before the Latin American Association of Cataract, Anterior Segment and Refractive Surgeons (ALACCSA-R).
- Editor of the cataract section of the online ophthalmological journal NOTICIERO ALACCSA-R from January 2011 to April 2019.
- Representative of ADOCAREF to the Latin American Society of Cataract and Refractive Surgery (LATAMSCRS), May 2025–October 2026.
- Co-organizer of the First Joint Symposium of ADOCAREF and the Dominican Association of Cornea Surgeons, Santo Domingo, Dominican Republic. October 2024.
- Co-organizer of the Second Joint Symposium of ADOCAREF and the Dominican Association of Cornea Surgeons, Santo Domingo, Dominican Republic. August 2026.
- Co-organizer of two live surgery sessions (corneal laser refractive surgery and cataract surgery) for that Second Joint Symposium, Santo Domingo, Dominican Republic. August 2026.

- Co-founder and co-coordinator of the First Advanced Symposium for Central America and the Caribbean: Lens Surgery in 2016: As it should be! Punta Cana, Dominican Republic.
- Co-founder and co-coordinator of the Second Advanced Symposium for Central America and the Caribbean: Lens Surgery in 2017: As it should be! Guatemala City, Guatemala.
- Co-founder and co-coordinator of the Third Advanced Symposium for Central America and the Caribbean: Cataract Surgery in 2018. San José, Costa Rica.
- Co-organizer of the Cataract Surgery Scientific Program of the XX International Congress ALACCSA-R. Bogotá 2019.
- Organizer of the Scientific Program on Cataract Surgery at the Congress of the Pan-American Society of Ophthalmology. Bogotá 2015.
- Coordinator of the Major Symposium: New Technologies. XXXVII Congress of the Brazilian Society of Ophthalmology. Rio de Janeiro, Brazil. August 2013.
- Coordinator of the Faco Video Symposium held during the XLIII Congress of the Dominican Society of Ophthalmology. Bávaro, Dominican Republic. June 2010.
- Coordinator of the Faco Video Symposium held during the XLII Congress of the Dominican Society of Ophthalmology. Dominican Republic. June 2009.
- Organizer of the Phacoemulsification Course held at the XLI Congress of the Dominican Society of Ophthalmology. Bávaro, Dominican Republic. June 2008.
- Advisor to the “Executive Commission for Health Sector Reform” of the Dominican Government, for the development of “Therapeutic Protocols for Ophthalmology” to be applied in Dominican public hospitals. December 2001.
- Promoter and Professor of the first national course on modern cataract surgery, called “Project Phaco 2000”. It took place at the headquarters of ALCON DOMINICANA, Santo Domingo, Dominican Republic. June 2000.
- Organizer of the Symposium “Modern Comprehensive Management of Diabetic Retinopathy” in Santo Domingo, Dominican Republic. May 2001. Sponsored by the Espailat Cabral Institute and the Dominican Societies of Ophthalmology, Endocrinology, Cardiology and Internal Medicine.
- Founder of the Espailat Cabral Institute website, the first website for specialized medicine in the Dominican Republic. Year 2000.
- Secretary General of the Dominican Society of Ophthalmology in the 1999-2000 board of directors.
- Member of the Board of Directors of the Dominican Society of Ophthalmology in the capital city of the Dominican Republic in the 1998-1999 Board of Directors.
- Member of the Board of Directors of the Dominican Society of Ophthalmology in the capital city of the Dominican Republic in the 1997-1998 Board of Directors.
- President of the Scientific Committee of the XXX Congress of the Dominican Society of Ophthalmology, held in June 1997, Puerto Plata, Dominican Republic.

Professional Memberships

- Full Member, Academy of Sciences of the Dominican Republic, since November 2024.
- Fellow, World College of Refractive Surgery and Visual Sciences, since February 2023.
- Corresponding Member, Argentine Society of Ophthalmology, 2022.
- Corresponding Member, Colombian Society of Ophthalmology, 2014.

- Dominican Academy of Medicine, since October 2002.
- American Academy of Ophthalmology (AAO), since October 1999.
- Latin American Association of Cataract, Anterior Segment and Refractive Surgeons (ALACCSA-R), since November 1999.
- American Society of Cataract and Refractive Surgery (ASCRS), since June 1998.
- International Society of Refractive Surgery (ISRS), since May 1997.
- Pan-American Association of Ophthalmology (PAAO), since May 1997.
- Dominican Society of Ophthalmology (SDO), since July 1996.
- Dominican Medical Association (CMD).
- Barraquer Institute Alumni Association, since December 1992.
- Academy of Medical Sciences of Catalonia and the Balearic Islands, December 1991–December 1996.
- Catalan Association of Ophthalmology, December 1991–December 1996.
- Official College of Physicians of Barcelona, July 1991–December 1996.
- Full Member, Barraquer Institute, since October 1989.

Published Books

- Co-editor and co-author of *CICAFE: Femtosecond Laser Cataract Surgery*. Jaypee-Highlights Medical Publishers, Panama, 2016. Co-editors: Dr. Virgilio Centurión, Dr. Arnaldo Espaillat and Dr. Claudio Orlich.
- Co-editor of *New Trends in Cataract Surgery*. Jaypee-Highlights Medical Publishers, Panama, 2013. Co-editors: Dr. Arnaldo Espaillat, Dr. Amar Agarwal and Dr. Richard Lindstrom.
- Co-author of *Diagnostic Imaging in Ophthalmology*. Editorial Espaxs, Barcelona, Spain, 1998. Authors: Rafael Barraquer, Andrés Dukes, Arnaldo Espaillat and Gorka Martínez Grau.

Book Chapters

1. Espaillat Matos A. Cataract Surgery with Femtosecond Laser. In: Pérez Balbuena A. PRACTICAL MANUAL OF CLINICAL OPHTHALMOLOGY. Book published by Jaypee- Highlights Medical Publishers, Inc. Panama, Republic of Panama, 2018. Section 3: Anterior Segment and Cataract, pages 464-468.
2. Espaillat Matos A. CICAFE in Posterior Polar Cataract. In: Centurion V, Espaillat Matos A, Orlich Dundorf C. CICAFE. FEMTOSECOND LASER CATARACT SURGERY. Book published by Jaypee-Highlights Medical Publishers, Inc. Panama, Republic of Panama, 2016. Chapter 23, pages 163-168.
3. Espaillat Matos A. CICAFE in Black Cataracts (Cataracta Nigra). In: Centurion V, Espaillat Matos A, Orlich Dundorf C. CICAFE. FEMTOSECOND LASER CATARACT SURGERY. Book published by Jaypee-Highlights Medical Publishers, Inc. Panama, Republic of Panama, 2016. Chapter 29, pages 191-196.
4. Espaillat Matos A, Centurion V, Orlich Dundorf C. Incision Complications in CICAFE. In: Centurión V, Espaillat Matos A, Orlich Dundorf C. CICAFE. FEMTOSECOND LASER CATARACT SURGERY. Book published by Jaypee-Highlights Medical Publishers, Inc. Panama, Republic of Panama, 2016. Chapter 42, pages 271-280.
5. Espaillat Matos A. Monovision Pseudophakic. In: Cosentino MJ, Carriazo C, Srur M, Campos M. REFRACTIVE SURGERY. BASIC AND ADVANCED CONCEPTS. Digital

- book published by Jaypee – HighligthsMedical Publishers, Inc. Panama, Republic of Panama, 2016. Chapter 47, pages 545-549.
6. Espaillat Matos A, Barraquer JI. BCN10 Cataract Classification System. In: Centuri3n V, Nicoli C, Ch3vez Mondrag3n E. LENS OF THE AMERICAS. LENS SURGERY TODAY. Second Edition. Digital book published by Jaypee – Highligths Medical Publishers, Inc. Panama, Republic of Panama, 2015. Chapter 64, pages 711-722.
 7. Espaillat Matos A, Perez O, Potvin R. Laser Assisted Surgery with More Results with Multifocal IOL, Toric Multifocal IOL, Toric IOL. In: Centurion V, Nicoli C, Chavez Mondragon E. LENS OF THE AMERICAS. LENS SURGERY TODAY. Second Edition. Digital book published by Jaypee – HighligthsMedical Publishers, Inc. Panama, Republic of Panama, 2015. Chapter 51, pages 581-595.
 8. Escaf L, Melo LM, Londo3o J, Newball L, Viteri E, Lorente R, Zapata J, Espaillat A, Jaramillo J. Ultrachopper: The Ultrasonic Scalpel. In: Centuri3n V, Nicoli C, Ch3vez Mondrag3n E. LENS OF THE AMERICAS. LENS SURGERY TODAY. Second Edition. Digital book published by Jaypee – Highligths Medical Publishers, Inc. Panama, Republic of Panama, 2015. Chapter 51, pages 581-595.
 9. Escaf L, Melo LM, Londo3o J, Newball L, Viteri E, Lorente R, Zapata J, Espaillat A, Jaramillo J. Approach to Dense Cataracts with Ultrachopper. In: Centuri3n V, Nicoli C, Ch3vez Mondrag3n E. LENS OF THE AMERICAS. LENS SURGERY TODAY. Second Edition. Digital book published by Jaypee – Highligths Medical Publishers, Inc. Panama, Republic of Panama, 2015. Chapter 58, pages 661-672.
 10. Espaillat A. Premium Intraocular Lenses in Cataract Surgery. In: Espaillat A, Agarwal A, Lindstrom R. NEW TRENDS IN CATARACT SURGERY. Book published by Jaypee – Highligths Medical Publishers, Inc. Panama, Republic of Panama, 2013. Chapter 11, pages 163-184.
 11. Orlich Claudio, Centurion Virgilio, Espaillat A. Toric Lens Treatments in High Myopes: Indications and Contraindications. In: Crist3bal JA, Ruiz Mesa R. ASTIGMATIMO. DIAGNOSTIC AND THERAPEUTIC METHODS. It is the 95th official presentation of the Spanish Society of Ophthalmology. Book published by the Spanish Society of Ophthalmology. Printed by Industria Gr3fica MAE, SL, Madrid, Spain, 2019. Chapter 62, pages 541-546.
 12. Espaillat A. Dysphotopsias and visual disturbances. Halos, glare and/or starburst. In: Bregliano G, Fern3ndez Mendy J, Nicoli M. GUIDE FOR THE SURGICAL MANAGEMENT OF PRESBYOPIA AND MULTIFOCALITY. Digital publication book (PDF) by the Argentine Society of Ophthalmology and the Argentine Society of Cornea, Refractive and Cataract. Printed by Ediciones Cient3ficas Argentinas. Buenos Aires, Argentina, 2024. Chapter 38, pages 210-214.
 13. Escaf LJ, Tello A, Melo LM, Londo3o J, Newball L, Viteri Coronel E, Lorente R, Espaillat A, Jaramillo JA. Hard Cataract: An Ultrachopper Strategy Using the Ultrasonic Scalpel. Editorial M3dica Panamericana; printed by Comercializadora de Impresos OM S.A. de C.V., Mexico City, Mexico, September 2025. Chapter 5, pp. 31–40.

Conference Presentations and Lectures

1. Espiailat A. From topography to psychology: Hidden risk factors in refractive cataract surgery. Lecture, European Society of Cataract and Refractive Surgeons (ESCRS) Congress, London, England, September 11–15, 2026.
2. Espiailat A. When should I recommend a trifocal IOL or an EDOF IOL for presbyopia correction? Lecture, Dominican Society of Ophthalmology Congress, Punta Cana, Dominican Republic, June 18–20, 2026.
3. Ruiz Alberto, Espiailat A. Does pupil size matter? Lecture, Dominican Society of Ophthalmology Congress, Punta Cana, Dominican Republic, June 18–20, 2026.
4. Espiailat A, Pérez Obniel, Ruiz Alberto. Pupil diameter and IOL selection for presbyopia correction. Lecture, Brazilian Society of Cataract and Refractive Surgery (BRASCRS) Congress, São Paulo, Brazil, May 13–16, 2026.
5. Espiailat A. Double-flange suture technique in late-onset UGH syndrome. Lecture, BRASCRS Congress, São Paulo, Brazil, May 13–16, 2026.
6. Espiailat A. Building a successful refractive surgery practice. Lecture, BRASCRS Congress, São Paulo, Brazil, May 13–16, 2026.
7. Espiailat A. Decision tree: Trifocal versus EDOF. Lecture, 11th ALACCSA-R Regional Congress, San Salvador, El Salvador, March 13, 2026.
8. Espiailat A. Pupilloplasty for traumatic mydriasis and cataract surgery. Surgical video, 11th ALACCSA-R Regional Congress, San Salvador, El Salvador, March 13, 2026.

9. Espiailat A. Preoperative mesopic pupil size and near vision with EDOF IOLs. Lecture, 11th ALACCSA-R Regional Congress, San Salvador, El Salvador, March 13, 2026.
10. Espiailat A. Management of capsular rupture and IOL optic capture through the continuous curvilinear capsulorhexis. Surgical video, Facocaribe Inspira Congress, Barranquilla, Colombia, March 7, 2026.
11. Espiailat A. Relationship between preoperative pupil size and postoperative near vision with EDOF IOLs. Lecture, Facocaribe Inspira Congress, Barranquilla, Colombia, March 7, 2026.
12. Espiailat A. Posterior capsulorhexis and trifocal IOL implantation. Lecture, Facocaribe Inspira Congress, Barranquilla, Colombia, March 6, 2026.
13. Espiailat A. Cataract, refractive errors and visual impairment. Lecture, First Course on Visual Impairment, sponsored by the Dominican Society of Ophthalmology, Santo Domingo, Dominican Republic, January 17, 2026.
14. Espiailat A. Managing complications after refractive lens surgery: A surgical rescue case. Lecture, 13th Annual Course of the Dominican Cornea Association (ADOCOR), Baní, Dominican Republic, October 4, 2025.
15. Espiailat A. Ocular anterior segment emergencies. Virtual lecture for medical students, Universidad Iberoamericana (UNIBE), Santo Domingo, Dominican Republic, November 26, 2025.
16. Espiailat A. Advanced topography and tomography for refractive surgery planning. Lecture, Refractive Surgery Course, Clínica 20/20, San José, Costa Rica, July 4–5, 2025.
17. Espiailat A. Management of epithelial ingrowth. Lecture, Refractive Surgery Course, Clínica 20/20, San José, Costa Rica, July 4–5, 2025.
18. Espiailat A. Managing dissatisfied postoperative patients. Lecture, Refractive Surgery Course, Clínica 20/20, San José, Costa Rica, July 4–5, 2025.
19. Espiailat A. Cataract surgery in short eyes. Lecture, 57th Annual Meeting of the Dominican Society of Ophthalmology, Punta Cana, Dominican Republic, July 2025.
20. Morales J, Espiailat A. Mix and match in presbyopia surgery: A solution between panfocal and EDOF IOLs? Lecture, 57th Annual Meeting of the Dominican Society of Ophthalmology, Punta Cana, Dominican Republic, July 2025.
21. Espiailat A. Dysphotopsias with presbyopia-correcting IOLs. Lecture, 36th Pan-American Association of Ophthalmology Congress, Bogotá, Colombia, May 2025.
22. Espiailat A. Pentacam AXL Wave in cataract surgery. Lecture, 36th Pan-American Association of Ophthalmology Congress, Bogotá, Colombia, May 2025.
23. Espiailat A. Comparison of two IOL BlendVision platforms. Lecture, 36th Pan-American Association of Ophthalmology Congress, Bogotá, Colombia, May 2025.
24. Espiailat A. Scleral IOL fixation using a modified Canabrava technique. Surgical video, 36th Pan-American Association of Ophthalmology Congress, Bogotá, Colombia, May 2025.
25. Espiailat A. Late-onset UGH syndrome. Lecture, 40th Congress of the Spanish Society of Ocular Implant and Refractive Surgery (SECOIR), Madrid, Spain, May 2025.
26. Espiailat A. When can a multifocal lens be selected after corneal refractive surgery? Lecture, 40th SECOIR Congress, Madrid, Spain, May 2025.
27. Espiailat A. Tips for cataract surgery in short eyes. Surgical video, 40th SECOIR Congress, Madrid, Spain, May 2025.
28. Espiailat A. Late-onset UGH syndrome. Lecture, 25th ALACCSA-R International Congress, Lima, Peru, March 2025.

29. Espaillet A, Pérez O. Initial comparison of two IOL BlendVision platforms for presbyopia correction. Lecture, 25th ALACCSA-R International Congress, Lima, Peru, March 2025.
30. Espaillet A. Surgical rescue following a complication of refractive lens surgery. Surgical video, 25th ALACCSA-R International Congress, Lima, Peru, March 2025.
31. Espaillet A. Application of artificial intelligence in medicine and ophthalmology. Conference presented at the Academy of Sciences of the Dominican Republic. Santo Domingo, Dominican Republic. November 2024.
32. Espaillet A. Three-piece IOL scleral fixation with partial capsular support. Video presented at the European Society of Cataract and Refractive Surgeons (ESCRS) congress. Barcelona, Spain. September 2024.
33. Espaillet A. Presbyond case presentation. Conference presented at the European Society of Cataract and Refractive Surgeons (ESCRS) congress. Barcelona, Spain. September 2024.
34. Espaillet A. When to place Trifocal and EDOF IOLs after refractive surgery. Conference presented at the Alacsa-R 2024 international congress. Santiago, Chile. March 2024.
35. Espaillet A. Implantation of a 3-piece IOL with scleral fixation using a double-flange suture technique in the presence of partial capsular support. Video presented at the Alacsa-R 2024 international congress. Santiago, Chile. March 2024.
36. Espaillet A. Patient satisfaction with Trifocal/EDOF vs Bilateral Trifocal IOL. Conference presented at the Alacsa-R 2024 international congress. Santiago, Chile. March 2024.
37. Espaillet A. Positive dysphotopsias: everything you need to know. Conference presented at the Alacsa-R 2024 international congress. Santiago, Chile. March 2024.
38. Espaillet A. Artificial intelligence: usefulness in your daily practice. Conference presented at the Facocaribe 2024 congress. Barranquilla, Colombia. March 2024.
39. Espaillet A, Pérez Obniel. Comparison of satisfaction and dysphotopsia in 4 premium presbyopia corrective lenses. Conference presented at the Joint International Congress of the Argentine Society of Ophthalmology and Alacsa-R. Buenos Aires, Argentina. October 2022.
40. Espaillet A. Rescue Acrylic lens with double flange scleral fixation technique. Conference presented at the Joint International Congress of the Argentine Society of Ophthalmology and Alacsa-R. Buenos Aires, Argentina. October 2022.
41. Espaillet A. Importance of corneal biomechanics in keratorefractive surgery screening. Conference presented at the Joint International Congress of the Argentine Society of Ophthalmology and Alacsa-R. Buenos Aires, Argentina. October 2022.
42. Espaillet A. Cataract Surgery: Pearls in the Prevention of Vitreo-Retinal Complications. Online Conference presented at the Continuing Medical Education Meeting for the Guatemalan Ophthalmology Association. September 2022.
43. Espaillet A, Pérez Obniel. Predictive factors of dysphotopsia with Panoptix intraocular lens. Conference presented at the XIX International Congress of Cataract and Refractive Surgery of ABCCR/BRASCRS. Salvador de Bahia, Brazil. May 2022.
